## A Century of Innovation

### 100 years of service

Should we seek only answers?  
Is customer satisfaction our only value?  
Always seeking truth.  
A future beyond satisfaction.  
Cherishing things both seen and unseen.

This year, Morita will celebrate its 100th anniversary.  
We will continue looking ahead with 100 years of gratitude.

A Century of Innovation – Today and Tomorrow.
